TRADING CHECKLIST (STRICT RULES)

Before you take ANY trade, run through this.

If one condition is missing → NO TRADE.

■ 1. BIAS (HIGHER TIMEFRAME)

Confirm clear direction/starting point to finish point (Bullish or Bearish)

No guessing, no "it looks like"

■ **No clear bias = NO TRADE**

■ 2. LIQUIDITY SWEEP

Has price taken highs or lows?

Is the sweep clean and obvious?

■ **No liquidity taken = NO TRADE**

■ 3. MARKET STRUCTURE

Is structure clean (not choppy)?

Is it shifting in your bias direction?

■ **Messy structure = NO TRADE**

■ 4. ENTRY MODEL

Valid liquidity retracement (e.g. 50%)

Setup aligns with bias

■ **No proper 50% retracement = NO TRADE**

■ 5. CONFIRMATION

Clear 15mins engulfing candle on supply & demand before entry

No prediction entries

■ **No confirmation = NO TRADE**

■ 6. RISK MANAGEMENT

Fixed risk per trade (no exceptions)

Stop loss set BEFORE entry

■ **Overleveraging = NO TRADE**

■ 7. BIAS ALIGNMENT

Only trade WITH your bias

■ **Buying in bearish / Selling in bullish (counter trade) = NO TRADE**

■ 8. MENTAL STATE

Not emotional

Not forcing trades

Not chasing losses

■ **Bad mental state = NO TRADE**

■ 9. TRADE LIMIT

Max 3 trades per day

■ **Overtrading = STOP**

■ FINAL RULE

"If I lose this trade, I'm okay because I followed all my rules,"

If you can't say that → DON'T ENTER.

■ REMEMBER:

Discipline pays. Impulse destroys.

Trade like a pro, not a gambler.
